

# 5-MINUTE *Laundry Detergent*

www.humoroushomemaking.com

## INGREDIENTS

- 2 4-5 oz bars castile soap
- 3 cups washing soda
- 3 cups Borax
- 25 drops essential oils of your choice (I like 15 of tea tree and 10 of orange)

## DIRECTIONS

Cut soap into small chunks. Pulse in your food processor or high powered blender.

DO NOT INHALE. Trust me.

Add washing soda and pulse again until combined. Again DO NOT INHALE.

Pour mixture into a bowl. Add Borax and essential oils. Stir until combined.

Store mixture in an airtight container.

## TO USE

2 tablespoons for a regular washer and 1 for a HE washer.

Note: Thoroughly wash items used to make soap.
